Playing Field Matters:

a) Provide an update and plan of action for work required following the recent annual and quarterly playground inspections.

All three playgrounds have undergone both an annual and quarterly inspection by new inspection provider which were reported to be thorough.

Cllr Price noted that all equipment at Great Bridgeford playing field has been assessed as low risk with no urgent issues identified. Councillors agreed that the majority of the repair work was required at Derrington's playfield. Cllr Wilkes and Cllr Price recommended engaging a professional contractor to undertake the highlighted repairs in all three playfields. **Actions:**

- Clerk to obtain quotes from professional contractors to carry out repair work highlighted in the inspection reports. Seek recommendations from SPCA and other councils.
- Clerk to send Seighford's inspection report to Elevate Play, highlighting the rapid deterioration and poor installation of the multi-play unit they installed in March.
- Cllr Busby and Cllr Hodgkins to repair fence and obtain costs for replacement posts.

b) To approve quote for arboriculturist to conduct work on trees recommended in recent tree survey report.

Only two quotes received to date, so a third quote is required.

Actions:

- Councillors to email clerk any more recommendations.
- Clerk to forward Seighford's tree report to the Landlord representative (Seighford Settled Estate) to request that necessary tree work be carried out and paid for by them.
